Work Experience

Food and Nutrition Systems Intern, Texas Department of Agriculture – Austin, TX June 2023 to August 2023

- Worked with VBA code to make scripts to automate workplace processes in Excel.

- Interviewed employees to find issues within the reports system in TXUNPS. Then created a report and presentation on the issues found.

Discovery Analyst, Deloitte - Austin, TX June 2022 to August 2022

- Learned key skills in website development, as I had been asked to create a resources website. I also learned about how to work with a team in a professional environment.

- Contracted by Deloitte to work for the Office of the Attorney General in Austin Texas.

- Provided resources for the child support division to aid them in their transfer from an older system to a more modern TXCSES systnotem.

- Created presentations, websites, short videos, and FAQ sections for the workers that will be using the new system.

Cashier/Customer Service H.E.B - Austin, TX March 2020 to June 2022

- Maintained high standards of customer service during high-volume, fast-paced operations.

Summer Camp Counselor Boy Scouts of America - Naples, Italy June 2019 to July 2019

- Learned key skills in presenting, teaching, and micro-managing in a strict military environment.
